

Saco Farmers' Market Vendor Application

The mission of the SFM is to connect local producers with customers. The market seeks local producers of grocery staples: vegetables, fruits, dairy, meats, seafood, plants, flowers, honey, maple products, canned goods, baked items. Other product types may be considered at the discretion of the market committee. Please take a look at what is currently on offer at the market to see if you will be bringing a unique offering.

State law requires that farms sell at least 75% of products that are produced themselves. Outside product must be clearly labelled with farm of origin.

Seasonal vendor fee is currently \$110 dollars annually. Full season attendance is encouraged, but day vendors must apply in advance and provide dates of attendance. Day Vendor fee is currently \$15 per market.

Today's Date: _____

Vendor Name: _____

Vendor Contact Name: _____

Email: _____ Phone: _____

Mailing Address (Street, Town, Zip): _____

Website: _____

Describe your primary product, additional products: _____
